# About US

## Who We Are

Dedicated, responsible & passionate  
real estate consultants

Our first and foremost goal is providing  
high quality service. We are present in  
every step to aid our clients.

## Our Vision

To become the go to name for real  
estate brokerage and consultancy  
services.

# About US

## Our Mission

ERG Brokers was founded in 2013 not only with the aim of matching clients with real opportunities, but also provide a world class service in every way.

We don't treat real estate brokerage like a one-off paid service; however, it is a one-on-one customized service through which we provide accurate and abundant information to help our clients making the best real estate choices.

# About US

## Our Mission

ERG Brokers is founded on strong core values represented in honesty, trust, respect and accountability.

We are strictly committed to providing a top-notch service, and we achieve this by constantly enhancing our knowledge, scanning the real estate market and being versatile and flexible to apply necessary changes to evolve with real estate market needs.

# About US

## Our Values

### **Honesty**

We highlight advantages and disadvantages of different decisions alike, both with accuracy and honesty.

Being honest about information we provide might limit number of customers but will be it strengthens our ties with our existing clients, who are our success partners.

# About US

## Our Values

### **Trust**

Mutual trust is the basic foundation of every business, regardless of the field, and it's the main reason we are able to maintain our clients. We respect our clients' confidentiality to the maximum extent.

# About US

## Our Values

### **Respect**

whether between us and our clients or among our team, respect is a main pillar of our foundation.

### **Accountability**

We take full responsibility of every task handed to us by our clients. Also, as we commit ourselves to world-class service, we are wholeheartedly in favor of quality and efficiency, subsequently, all our team members are results oriented.

# About US

## Why Choose ERG Brokers

During our 10 years we have earned our reputation as honest, dedicated brokers with outstanding negotiation skills.

We provide accurate information with great transparency, without withholding any details or including hidden fees whatsoever.

We never influence our clients' decision in favor of commission, we would rather have strong relationship with limited number of clients than assist many clients on short term basis on a mediocre level.
